

THE WILLOWS

WODONGA

WELCOME TO THE WILLOWS

Nestled in the heart of Wodonga, The Willows is a premium property development located in one of the city's most sought-after and established areas.

The Willows has been thoughtfully designed to maximise the use of space and offer residents a range of land options to choose from.

Located just minutes from the city centre, The Willows seamlessly blends modern conveniences with the charm of regional living, ensuring easy access to essential amenities while offering the tranquillity of a regional setting.

Wodonga town centre

EVERYTHING RIGHT ON YOUR DOORSTEP

Nestled on the Victorian side of the Murray River, Wodonga is a hidden gem that perfectly balances the charm of regional living with the convenience of city proximity.

With a population of over 40,000, Wodonga is one of the largest regional cities in Victoria. It offers a thriving community with all the amenities you'd expect from a larger urban centre.

TOWN CENTRE

Positioned just a 4-minute drive from High Street and with Clyde Cameron Reserve and sporting ovals within walking distance, The Willows is designed for those who value connectivity and convenience.

DINING & RETAIL

High Street, the main thoroughfare of Wodonga, along with Stanley Street and the charming nearby laneways, are vibrant destinations brimming with cafes, restaurants, and boutique retailers. From gourmet dining experiences to casual coffee shops and unique local boutiques, these areas are perfect for enjoying the vibrant local culture and connecting with the local business community.

RECREATION

Wodonga boasts an array of picturesque parks, gardens, and recreational facilities, all easily accessible from The Willows. With over 80 km of connected bike and walking paths, staying active and enjoying the great outdoors has never been easier.

NATURE & PARKS

Residents of The Willows can explore a variety of conservation reserves and nature trails that provide a serene escape, perfect for outdoor enthusiasts and those looking to stay active in nature.
